

# RSGB Morse Code Certificate of Competency Approved Assessor Application

**Application Method 1** which requires you to:

- Formally state the level your current Morse code competency including speed of operation not only in contest mode but also during sustained “rag-chewing”
- Provide references from two other people who also hold a Morse certificate to support and confirm these statements.
- Show evidence that you hold a Morse certificate which has been issued by a recognized authority i.e. Post Office, Maritime Radio Services or RSGB.

**Application Method 2** which requires you to:

- Provide documentary evidence that you have previously undertaken Morse testing on behalf of the Post Office, Maritime Radio Services or RSGB.
