

# Spectrum Forum

## Terms of Reference

---

The Chair is to be appointed by and will serve on the Board. The Forums Terms of Reference are as follows:

- The Forum shall consist of the Spectrum Managers and such other members as thought to be appropriate.
- To monitor and pursue all aspects of spectrum usage relevant to the amateur service and amateur satellite service.
- To ensure that all spectrum matters within the Society are properly co-ordinated.
- To identify areas where radio amateurs can make a contribution to spectrum usage.
- To recommend general operating practices including band planning and matters concerned with safety.
- To organise and prepare conference papers by Society and affiliated UK special interest groups, making appropriate recommendations to the Board.
- To deal with international matters concerning spectrum usage, especially those arising from the Society's membership of IARU.
- To maintain a good working relationship with the national administration in all matters concerning spectrum usage.
- To provide a web presence that includes all aspects of the work of the Forum.
- To recommend annually to the Board the award of relevant society trophies.
- To liaise with spectrum Awards Managers and offer guidance where required.
- Through the appointment the post holder accepts and follows the [RSGB's core Ethos](#) values and [Code of Conduct](#)

Created 2004 (amended 31st August 2012)
