Dear Mr

I am writing on behalf of the VHF Manager to inform you of recent changes to the list of 50MHz permit holders. Coming off the list are GJ4ICD, GM4ELV and GW4BCD. They are replaced by GU2HML, GM4IGS and GW3MHW.

Thus the revised list is as set out below -

GM3DOD, GM3WOJ, GM3OBC, GM4IGS, GM3WCS, GM3ZBE, GM4FZH, GM4FDT, GM4DIJ, GM4IHJ, G4JLH, GW4IIL/A, GW3LDH, GW4HBK, GW4HXO, GW3MHW, GJ3RAX, GJ3YHU, GU2HML, GI3RXV, GI4MJD, GI3ZSC, G5KW, G3OHH, G2AOK, G3LTF, G3USF, G3NOX, G4BPY, G3PWK, G3VZJ, G4IJE, G4GLT, G6XM, G4CUT, G3COJ, G3ZIG, G3TCU, G4HUP and G4BAO.

Obviously the purpose of writing to you is to keep you posted as to the latest list of authorised permit holders.

I gather that 50 MHz activity continues to be lively and the Society is most appreciative to those who send in reports either to 'GBVR' or the VHF Manager.

As you know from a previous letter the subject of cross-band contacts is still under discussion with the Home Office; this matter has not yet been resolved but we are well aware of the apparent anomalies that exist at present.

Continued success with your 50 MHz research.

Yours sincerely

David A. Evans, G3OUF
Secretary/General Manager

obo Keith Fisher, G3WSN
VHF Manager.
