

RESOLUTION 641 (REV.HFBC-87)

**Use of the frequency band 7 000-7 100 kHz**

The World Administrative Radio Conference for the Planning of the HF Bands Allocated to the Broadcasting Service (Geneva, 1987),

*considering*

- a) that the sharing of frequency bands by the amateur and broadcasting services is undesirable and should be avoided;
- b) that it is desirable to have world-wide exclusive allocations for these services in band 7;
- c) that the band 7 000-7 100 kHz is allocated on a world-wide basis exclusively to the amateur service,

*resolves*

that the broadcasting service shall be prohibited in the band 7 000-7 100 kHz and that the broadcasting stations operating on frequencies in this band shall cease such operation,

*urges*

the administrations responsible for the broadcasting stations operating on frequencies in the band 7 000-7 100 kHz to take the necessary steps to ensure that such operation ceases immediately,

*instructs the Secretary-General*

to bring this Resolution to the attention of administrations.
